

# Honesty

## What is honesty?

**Honesty** means always **telling the truth** and being **sincere**. When we are honest, people trust us, and we feel good inside. Allah loves those who are truthful.

## A special Hadith

The Holy Prophet ﷺ said,

**"Truthfulness leads to righteousness, and righteousness leads to Paradise."**

(Muslim)

This means being kind, honest and always trying hard to do what Allah wants.

## What does this hadith mean?

Telling the truth is **really** important. By being truthful, we become able to make good choices and do good things. All these good actions then bring us closer to **Paradise**, which is a beautiful place that Allah has promised those who do good!

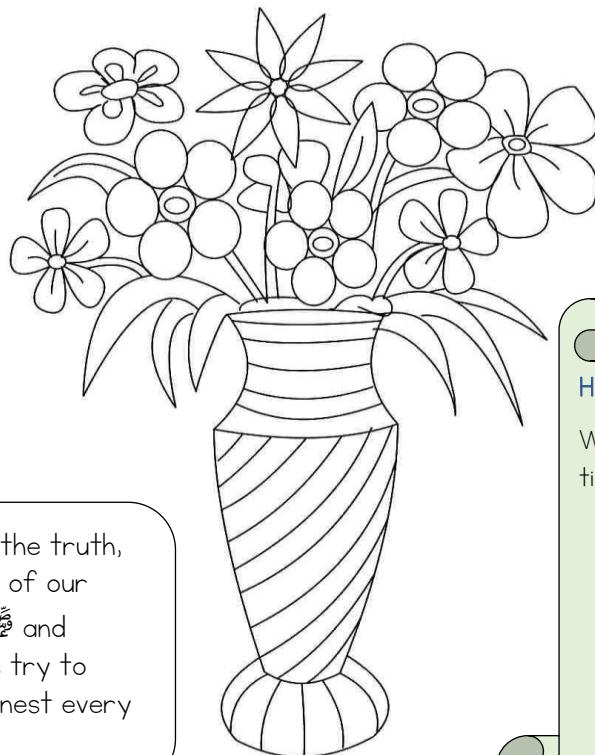

## STORY TIME – THE HONEST BOY
