

Colour the Madd Leen

What is the Madd Leen?

Sometimes, in the Qur'an, we see a little Waw (و) or Ya (ي) after a Fathah (َ).

When this happens, we stretch the sound a little bit. This is called **Madd Leen**.

The little Waw (و) or Ya (ي) that appear after a Fathah (َ) are called **Elle Letters** (Soft Letters). These letters have a *soft stretch*.

Activity Instructions:

1. Colour all the **Madd Leen** words in **one colour**.
2. Colour all the **other words** in a different colour.
3. Read the words aloud, making the soft stretch clear.

Remember - The Fathah with a **Ya** after it makes an **AY** sound.

The Fathah with a **Waw** after it makes an **AW** sound.
