

## **Fee Policy**

### **Al-Baqir Institute**

Review Date: 23<sup>rd</sup> August 2025

#### **Introduction:**

This Fee Policy outlines the guidelines and procedures for fee payments at Al-Baqir Institute. It is essential for the efficient operation of the institute and the provision of quality educational services to our students. All parents and guardians are required to adhere to this policy to ensure a seamless educational experience for their children.

#### **Payment Method:**

All fees must be paid online to Al-Baqir Centre's bank account. Cash payments or any other forms of payment will not be accepted.

Account Name: Al-Baqir Community Centre Ltd

Sort Code: 60-11-01

Acc Number: 24743992

#### **Fee Schedule:**

Fees are due at the beginning of each month for all programmes, and parents or guardians are expected to make the payment on or before the specified due date.

Fees will be collected regardless of whether the child has attended classes during the month. The institute's resources, facilities, and educational services are committed and allocated for the entire academic year, irrespective of individual attendance. Therefore, fees are non-refundable and must be paid according to the fee schedule.

#### **Late Payment:**

Unauthorised late payment of fees may result in penalties. It is the responsibility of parents and guardians to ensure timely fee payments to avoid any disruptions in their child's education.

#### **Fee Receipts:**

Once the fee payment is successfully processed, parents and guardians will receive a receipt via email/phone. It is advisable to retain these receipts for future reference and record-keeping.

#### **Communication:**

In case of any concerns or queries regarding fee payments, parents and guardians are encouraged to contact the institute's administration office. Clear and open communication is vital to resolving any issues related to fees promptly.

**Non-Compliance:**

Non-compliance with the Fee Policy may result in administrative actions, including but not limited to the suspension of a student's attendance until the outstanding fees are settled.

**Fee Subsidy:**

We understand that some applicants may face challenges in paying the full fees for various programmes. In such cases, we have a fee subsidy program in place. Applicants facing financial hardship can apply for fee assistance, and upon approval, the Institute will subsidise a portion of the fees. We believe in fostering a supportive community where all students can excel and grow, regardless of their financial circumstances.

**Modification of Fee Policy:**

Al-Baqir Institute reserves the right to modify or update this Fee Policy as needed. Any changes to the policy will be communicated to parents and guardians through official channels.

By enrolling a student at Al-Baqir Institute, parents and guardians acknowledge their understanding and agreement to abide by the terms and conditions outlined in this Fee Policy.
